Dear Client,

The Saskatchewan Research Council ("SRC") GenServe Laboratories™ is no longer offering the Elk – Red Deer hybrid test as a diagnostic service.

To ensure that your needs are being met, we are pleased to inform you that SRC GenServe Laboratories™ has provided **Biogenetic Services, Inc.** ("BGS") with the information pertaining to this test. BGS, located in Brookings, South Dakota is currently setting up to make the Elk – Red Deer hybrid test available to producers as soon as possible. Please contact BGS for further information.
