

Net Metering Program Application for Program Participation

Name of Applicant: _____
(payment will be made to this applicant)

Mailing Address: _____ Land Location: _____ - _____ - _____ W _____
Street/Box No.
 _____, Saskatchewan _____ Phone: _____
Town Postal Code

e-mail: _____ Fax: _____

Please ensure you:

- contact your local utility provider, and ask them to provide confirmation that you have entered into a net metering contract with them (or send us a signed copy of your net metering contract);
- provide us with signed copies of the electrical and natural gas consent forms; and
- provide us with the original receipts (or invoices marked paid) for expenditures or proofs of purchase of equipment, with the production meter equipment separately identified. Originals will be returned.

You must print, sign and fax or mail in your application to:

Net Metering Program
Saskatchewan Research Council
125-15 Innovation Boulevard
Saskatoon, SK S7N 2X8

Ph: 306-933-5400
Fax: 306-933-7446
e-mail: net.metering@src.sk.ca

Natural Gas Consent Form

The Saskatchewan Research Council (SRC) mandate is to encourage action by the public and industry by facilitating the development and implementation of cost-effective energy conservation initiatives and programs.

The funding disbursed under the Net Metering Program is only available to those Saskatchewan residents or commercial enterprises that sign this consent form that will allow SRC access to their energy consumption records from the local natural gas provider for up to eighteen (18) months prior to installation of the generating equipment and for up to 10 years after the installation is complete. The purpose of gathering this information is to assess the energy, economic, and environmental impact of the initiative. Data will be kept confidential and only reported publicly in aggregate form. This consent form is required to be completed and submitted to the Saskatchewan Research Council as part of the Net Metering Program application.

No further release or disclosure of the results will be made except in accordance with the provisions of *The Freedom of Information and Protection of Privacy Act* (Saskatchewan).

Date _____ Name of Organization or Resident _____

Name of Natural Gas provider: _____

In the table below please list the building names and the **Natural Gas** Account Numbers (shown on billing statements) and the meter numbers (contact Natural Gas provider) for each of the buildings that you are providing authorization for:

Billing Name	Customer Reference	Account Number	Meter Number

The undersigned hereby authorizes the utility provider noted above to release energy consumption information in the form of billing statements to SRC, for the facilities listed above for up to eighteen (18) months prior and for up to 10 years after the date indicated on this form.

Name of Authorized Person (please print) _____

Position of Authorized Person _____

Signature _____
