Program Timeline

Deadline:	Submit to SRC:
January 3, 2012, 2:00 pm	Project Registration form (SRC-NM-PR) and supporting documents
March 30, 2012, 2:00 pm	Project Confirmation form (SRC-NM-PC) and proof of payment for equipment deposit of at least 10%
August 31, 2012, 2:00 pm	Request for Rebate form (SRC-NM-RR), proof of payment for all eligible expenditures, and the electrical inspection form

Supporting documents that must be included with this form:

- A copy of your Preliminary Interconnection Study (PIS) form as submitted to SaskPower or your local utility, including the single line diagram indicating the proposed location of the production meter
- A copy of quote from your preferred vendor(s) for the estimated project costs
- A copy of the estimate of annual energy production of the system (in kWh)

You must print, sign and fax, e-mail or mail in your Project Registration to:

Net Metering Rebate Program
 Saskatchewan Research Council
 125-15 Innovation Boulevard
 Saskatoon, SK S7N 2X8

Ph: 306-933-5400
 Fax: 306-933-7446
 e-mail: net.metering@src.sk.ca

All applications are subject to Program funding availability. SRC will confirm funding availability by providing you with a copy of the Project Confirmation form (SRC-NM-PC) and applicant ID number within 3 weeks of receiving this form and all required supporting documents. Only Project Registrations, complete with supporting documentation, received by the January 3, 2012 deadline will be considered for funding allocation in the Net Metering Rebate Program.
