

## PRESIDENT'S OFFICE

### **LAURIER L. SCHRAMM** **President and CEO**

#### **EXPERTISE**

Corporate Leadership; R&D Management;  
Innovation, Research and Development;  
Colloid and Interface Science;  
Petroleum Science and Engineering;  
Energy Technology Development

#### **CONTACT INFORMATION**

Phone: 306-933-5402

Fax: 306-933-7519

E-mail: [schramm@src.sk.ca](mailto:schramm@src.sk.ca)

Web: <http://www.src.sk.ca>

#### **EDUCATION**

Corporate Executive Program, School of Business, University of Alberta, 2001

Ph.D., Colloid Chemistry, Dalhousie University, 1980

B.Sc. (Hon.), Chemistry, Carleton University, 1976

#### **EXPERIENCE**

Saskatchewan Research Council

- President and CEO, 2001-present

Alberta Research Council

- Vice President, Energy Technologies, 2000-2001

Petroleum Recovery Institute

- President and CEO, 1999-2000
- Manager, Research and Technology, 1995-1999
- Group Leader and Senior Staff Research Scientist, 1990-1995
- Staff Research Scientist, 1988-1990

Synchrude Canada Ltd.

- Senior Research Scientist, 1984-1988
- Research Chemist, 1980-1984

University of Calgary

- Adjunct Professor, Chemical and Petroleum Engineering, 2001-Present
- Adjunct Professor, Chemistry, 1991-2001

## **PROFESSIONAL AFFILIATIONS**

- Natural Sciences and Engineering Research Council (Group Chair for Engineering)
- Canada Foundation for Innovation (New Opportunities Fund College of Reviewers)
- Associations of the Chemical Profession of Alberta and Ontario.
- Chemical Institute of Canada (FCIC) and American Chemical Society
- Petroleum Society of CIM
- Prospectors and Developers Association of Canada
- Selected corporate Boards of Directors

## **SPECIAL SKILLS**

- Management and Leadership, Executive and R&D
- Research and Development
- Teaching, University and Industry Specialist Levels
- Reviewing, Scientific Research Proposals, Results, and Publications
- Inventions, Processes, Formulations, and Apparatus

## **PUBLICATIONS IN THE AREAS OF**

- Energy Technology Development
- Colloid and Interface Science
- Emulsions, Foams, Suspensions, Surfactants
- Applied Petroleum Science
- Oil Sand Processing

8 books published, 17 patents issued, about 120 scientific papers and book chapters published, over 130 other scientific presentations and invited scientific seminars.
