SRC shall comply with all applicable federal, provincial and municipal laws in relation to the services.
- 2. Expedited Service:** Expedited service is available for certain services. A surcharge of 75% will be applicable for services rendered within two to four (2-4) business days of receipt of samples. A surcharge of 100% will be applicable for services rendered within 24 hours, and, when deemed necessary by SRC, an hourly rate, will be applicable for services rendered outside normal business hours. Volume or other discounts do not apply to expedited service.
- 3. Sample Submission:** Samples should be stored and preserved by the Customer in accordance with the guidelines set out in SRC's current price guide. Failure to adhere to SRC's current guidelines for the storage and preservation of samples may mean that SRC is unable to provide the services. Failure to complete and execute such forms may result in delay in the service.
- 4. Sample Storage, Return and Disposal:** The Customer shall provide SRC with any specific instructions regarding the storage, return or disposal of samples upon submission of samples to SRC for the services. Storage fees or other charges may be applicable. The following rules apply to the storage, return or disposal of samples unless alternate instructions are received by SRC from the Customer:
 - (a) All samples will be stored by SRC for thirty (30) calendar days following provision by SRC to the Customer of the report regarding the results of the services (the "Sample Storage Period"). Following the Sample Storage Period, samples will be disposed of at SRC's discretion.
 - (b) Samples that are classified by SRC as hazardous substances will either be disposed of by SRC or returned to the Customer following the Sample Storage Period and additional fees may apply.
- 5. Payment Terms:** The Customer agrees to pay to SRC the applicable fees for all services the Customer has requested. A minimum fee for service may be applicable. Fees may be subject to change without notice. The Customer will pay all invoices in Canadian funds without any deduction or set off. Payment is due upon receipt of invoice. Interest will be charged at the rate of 1.5% per month (18.00% per annum) on all invoices overdue thirty (30) days or more from the invoice date. All applicable taxes, both federal and provincial, will be automatically added to invoices. SRC may not release test results or work product unless all fees have been paid in full.
- 6. Confidentiality:** All data, reports and other information relating to the services shall be treated by SRC as the confidential property of the Customer. The obligation of confidentiality set out in this section shall not apply to any information that: (i) is required by law to be disclosed; (ii) was in SRC's possession prior to receipt from the Customer; (iii) was lawfully obtained by SRC from a third party under no obligation of confidentiality to the Customer; or (iv) is or becomes part of the public domain through no act or failure of SRC
